## Drinks Compendium

## Our Drinks Compendium

Est. 2007

Here at the Residence we have been evolving our drinks menu for over 10 years! We are also blessed with one of the best ergonomically designed bars in Cheshire and it allows us to produce some fantastic beverages!

We stand out from the rest because of our bartender's and we pride ourselves on freshly squeezed lemon & lime juices, premium brands, homemade cordials and syrups and a fantastic range of cocktails.

We hope you came here because you wanted the 'Residence experience' – try something new and enjoy it! There are a great range of drinks for all tastes and palates. If you have a preference for a particular spirit, for sweet things, sour or creamy, then let us suggest something for you!

We hope you love our new refurbishment? Please take advantage of our drinking booths. Book for up to 8 persons per booth and enjoy our 'Selected Drinks Packages' on page 12. The Booth area can be hired for your own private space, Gin or cocktail Masterclass or a business meeting for up to 40+ people. Just ask the Manager on duty for details.

Know your round – if you have a big round reel it off for us ASAP, we can cope (most times) and we can fix it quicker than you probably realise!

Want something that's not on the menu? Don't be shy- Just ask!  
We will always do our best to fix something up for you.

**Above all else – enjoy!**

**Happy Hour**

Monday to Friday from 5pm - 7pm
